## Voluntary Animal Bite Quarantine Procedures

1. Animals voluntarily quarantined must not be allowed to make contact with any animals other than household animals that live at your residence.
2. Observe animals behavior for ten (10) days. Any unusual behavior or sickness must be reported to the Police Department/Animal Shelter immediately
3. If the animal is bitten by or bites any animal, or bites any human being within the ten (10) day quarantine period, the bit must be reported to the Police department/ Animal Shelter immediately.
4. **DO NOT HAVE THE ANIMAL VACCINATED DURING THE 10 DAY QUARANTINE PERIOD.**
5. Do not allow the animal to run at large. Necessary “outside” visits must be closely supervised.
6. The Police Department/Animal Shelter may impound the animal at your expense at any time.
7. Violation of the voluntary quarantine may result in the quarantine of the animal at your expense.
8. City licenses (dogs) and rabies vaccination must be obtained AFTER the quarantine Period.
