## McPherson City Code Regarding Drinking Establishment Licenses

### DIVISION 3. - DRINKING ESTABLISHMENTS

#### Sec. 6-231. - License.

- (a) Required. It shall be unlawful for any person granted a drinking establishment license by the state to sell or serve any alcoholic liquor authorized by such license within the city without first obtaining a local license from the city clerk.
- (b) Tax. There is hereby levied an annual license tax on each drinking establishment located in the city which has a drinking establishment license granted by the state, which tax must be paid before business is begun under a state license and within five days after renewal of a state license. The city annual license tax is \$250.00.
- (c) Applications; issuance. Applications for new or renewal city licenses must be submitted to the city clerk. Upon presentation of the application, payment of the license tax and a copy of the state license, the city clerk must issue a city license for the period covered by the state license, if there are no conflicts with any zoning or alcoholic liquor ordinances of the city.
- (d) Period; refunds. The city license extends for the time period covered by the state license. No license tax, nor any part thereof, is refundable for any reason.
- (e) Display. Every licensee must display the city license in a conspicuous place on the licensed premises, adjacent to the state license.
